

Evergreen Goals 2020

From our Leadership Retreat in February, we narrowed down twenty-three topics of conversation into four areas:

- Leadership and Change with Young Leaders
- Immigration and Intentional Intercultural Life
- Spiritual Life and Resources
- Bridging Church and Community

Due to Covid-19, we are also providing resources for churches to worship online including necessary equipment, training, and support. You can find up-to-date information on Evergreen's website

www.ea-abc.org

We have applied for a Lily Foundation Transforming Churches grant to help congregations make the necessary shifts in connecting to their neighborhoods, transforming leadership, and cultivating new ways of doing ministry in these new times.
